# 1. DISTRICT SUMMARY

The City of Lincoln (the “City”) formed Community Facilities District No. 2003-1 (the “District”) on May 13, 2003. The City issued the City of Lincoln Special Tax Bonds, Series 2003A and the Special Tax Bonds, Series 2004 (the “Prior Bonds”) to fund certain improvements within the District. The improvements in the area included, but were not limited to, wastewater improvements, water improvements, roadway improvements, and bridge improvements.

In 2007, the Prior Bonds were refunded in connection with the issuance of the City of Lincoln Special Tax Refunding Bonds, Series 2007 (the “Series 2007 Bonds”). Simultaneously, the Bonds were purchased with the proceeds from the issuance of the Lincoln Public Financing Authority Special Tax Revenue Bonds, Series 2007A (the “Series 2007A Bonds”) and Subordinate Series 2007B (the “Series 2007B Bonds”) (collectively the “Revenue Bonds”).

The Special Tax Refunding Bonds, Series 2018 (the “Series 2018 Bonds”) were issued in August 2018 to refund the outstanding Series 2007 Bonds, which secure the payment on the outstanding Revenue Bonds.

#### 4. PREPAYMENTS OF SPECIAL TAXES

The special taxes for any Developed Parcel may be prepaid, and permanently satisfied, (i) in total, (ii) in the case of a partial prepayment, in the ratio of 25%, 50% or 75% of the full prepayment amount, or (iii) in the amount determine for a mandatory prepayment. An owner of a Parcel of Taxable Property who desires to prepay and permanently satisfy all or part of the special tax obligation for a Parcel shall notify the CFD Administrator in writing of such intention. The CFD Administrator, shall calculate and determine the prepayment amount, determine that the sum of the maximum special tax of all remaining Parcels is sufficient to levy a minimum of 110% of the Debt Service in all future Fiscal Years, and such determination shall be final and conclusive.

##### A. FULLY PREPAYING THE SPECIAL TAX FOR A DEVELOPED PARCEL:

1. The prepayment amount is computed by dividing the most current levied special tax amount for such Developed Parcel by the most current total levied special tax amount for all Parcels within the District, and multiplying the results by the principal amount of any outstanding Bonds and Bonds authorized to be issued.

2. The prepayment amount calculated in (1) above for a particular Parcel will be (a) increased in the amount of: (i) applicable redemption premium, if any, on the Bonds to be redeemed with such prepayment; (ii) an amount determined by the CFD Administrator to offset any difference between the amount needed to pay interest on the principal amount of Bonds to be redeemed until the earliest redemption and the amount derived from the reinvestment of the prepaid special tax pending the redemption of such Bonds; and (iii) an amount determined by the CFD Administrator to pay for the applicable Administrative Expenses to provide such prepayment; and (b) decreased in the amount of (i) any special taxes heretofore paid in respect of said Parcel, then held by the Trustee and available for payment on the Bonds, (ii) any reduction in the amount on deposit in the reserve fund for the Bonds due to the redemption of the Bonds with the proceeds of such prepayment and (iii) a pro rata amount of remaining capitalized interest allocable to the Parcel, if any.

The Parcel with respect to which prepayment is made must not be delinquent in any payment of special taxes previously levied within the District. Prepayment shall not relieve any property owner from paying those special taxes which have already become due and payable, and a Notice of Cessation of Special Tax Lien shall not be recorded against any Parcel pursuant to California Government Code Section 53344, until all special taxes with respect to that Parcel have been paid.

##### B. PARTIALLY PREPAYING THE SPECIAL TAX FOR A DEVELOPED PARCEL:

1. The partial prepayment amount is computed by dividing the most current levied special tax amount for such Developed Parcel by the most current total levied special tax amount for all Parcels within the District, then multiplying the results by the principal amount of any outstanding Bonds and Bonds authorized to be issued, and then multiplying the result by the intended partial prepayment percentage (25%, 50% or 75%).

2. The partial prepayment amount calculated in (3) above for a particular Parcel will be (a) increased in the amount of: (i) applicable redemption premium, if any, on the Bonds to be redeemed with such prepayment; (ii) an amount determined by the CFD Administrator to offset any difference between the amount needed to pay interest on the principal amount of Bonds to be redeemed until the earliest redemption and the amount derived from the reinvestment of the prepaid special tax pending the redemption of such Bonds; and (iii) an amount determined by the CFD Administrator to pay for the applicable Administrative Expenses to provide such prepayment; and (b) decreased in the amount

of (i) any special taxes heretofore paid in respect of said Parcel, then held by the Trustee and available for payment on the Bonds, (ii) any reduction in the amount on deposit in the reserve fund for the Bonds due to the redemption of the Bonds with the proceeds of such prepayment and (iii) a pro rata amount of remaining capitalized interest allocable to the Parcel, if any.

3. Following the receipt of a partial prepayment, a revised Maximum Special Tax shall be computed to reflect the applicable partial prepayment for such Parcel, by multiplying the current special tax rate shown in Table 1, by the remaining difference between 100% and the actual partial prepayment percentage (25%, 50% or 75%). Such revised Maximum Special Tax rate, plus all allowable increases under Section 2 herein, shall be used in subsequent Fiscal Years to apportion the Special Tax Liabilities under Section 3B herein.

The Parcel with respect to which a partial prepayment is made must not be delinquent in any payment of special taxes previously levied within the District. Partial prepayment shall not relieve any property owner from paying those special taxes that have already become due and payable. An amended Notice of Special Tax Lien shall be recorded against such Parcel to reflect the revised Maximum Special Tax calculated in (5).

#### C. MANDATORY PARTIAL PREPAYMENT:

Prior to the close of escrow for the first transfer of title of any Developed Parcel after the date on which a Certificate of Occupancy for such Parcel was issued by the City, the Maximum Special Tax shall be subject to mandatory partial prepayment in a amount necessary to bring the Total Property Tax Burden for the then-current Fiscal Year to an amount less than or equal to 2% of the sale price of the Parcel. The amount required shall be due and payable upon transfer of title. No prepayment shall be required if the Total Property Tax Burden is not in excess of the 2% limit. The Builder shall notify the CFD Administrator in writing of the mandatory partial repayment requirement at least 30 days prior to close of escrow. The CFD Administrator shall calculate and determine the prepayment amount using the methodology for a partial prepayment herein, except that the partial prepayment shall be in the exact percentage required for a Total Property Tax Burden not in excess of the 2% limit.

#### 5. APPEALS

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the CFD Administrator not later than twelve months after the due date of the first installment of the Special Tax that is disputed. The CFD Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the CFD Administrator decision requires that the Special Tax for such Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the annual special tax on that Parcel in the subsequent Fiscal Year(s).
